

25 years providing
Rugby to our community

Club 98

Locks Heath Pumas Rugby Club was formed in 1998 and now boast over 250 members, with teams from U6 to Vets (over 35). We have been able to deliver a good standard of rugby across all our ages groups especially as we continue to drive forward to obtaining our own Clubhouse in the local area.

As part of the Club's further development it is looking to invest in our playing infrastructure. As with most amateur sports clubs we rely on the benevolence and support of our local community and businesses - and have set up a support opportunity where your business can be apart of the "Club 98".

With a maximum number of 98 members, donating £98 per month for 10 months the club is looking to invest in:

- New pitch and changing facilities in the local area
- Senior Coaching Support
- Coaching Development—"The Pumas Way" delivering a playing style for all ages using video equipment and editing platform plus Coaching CPD Courses
- Increased First Aid and Physio support to help players recover quicker
- Mental Health awareness across the whole club to support our members

Membership to Club 98 provides the sponsor with a host of valuable opportunities and advantages including PR, advertising and networking. The offer also includes...

Pitch side advertising board or flags at either 1XV or 2XV or Puma Cubs Sunday training sessions

10 places (5 free, 5 paid) at a 1XV pre-match lunch. Spread throughout the season or host a table at one match. Great dining and great afternoon of rugby entertainment

Listing as a sponsor. Your logo and link to your company website on the Pumas website www.locksheathpumas.com

Your logo on the Club 98 Sponsors board situated in our clubhouse (currently Abshot Community Centre)

Join us in "Bringing rugby to the community and the community to rugby"
