

ENTRY FORM

Outdoor activity poster

For Parents

We, CooperVision Manufacturing Limited and Locks Heath Pumas RFC, want to encourage children up and down the UK to get outdoors for at least two hours every day. So, we're creating a giant wall poster full of ideas for outdoor activities – and we need your help.

Outdoor activities and games are great for your health, can help you concentrate at school and even help to look after your eyesight!

We want your ideas for outdoor games and activities to encourage all kids to have fun in the sun. It might be "Sardines", "Ropeless tug of war" or even starting your own vegetable garden. Whatever your idea, we want to hear about it. The best ideas will be included on our poster – which will be available for free through Rawlings Opticians.

All entries are subject to the entry terms below.

1. To submit his/her idea, you or your child must be a member of Locks Heath Pumas RFC and have your, as parent or guardian, permission.
2. We (and the people we work with) may use your child's idea and the answers and pictures you/your child include(s) on this form to create a poster. The poster will be to promote the local community and highlight the importance of eye health and regular eye examinations.
3. Please make sure that what your child includes on this form is all your child's own work. Please ensure your child hasn't copied anything from anyone or anywhere else.
4. We are planning to choose our favourite entries and ideas to create the poster. We may combine your child's entry with other entries. We will make the final choice on the design of the poster and we are not obliged to use any entries.
5. The poster will be displayed and distributed by CooperVision, Rawlings Opticians, Locks Heath Pumas RFC and other people we choose.
6. Please do not include any personal data in your child's entry (other than the specific information requested). You can find out more about the way in which your/your child's personal information will be used in the Childhood Myopia Campaign Privacy Notice.
7. The promoter is CooperVision Manufacturing Limited ("CooperVision") whose registered office is at Delta Park, Concorde Way, Segensworth North, Fareham, Hampshire, PO15 5RL.
